

ON CAMPUS COMPUTER ACCESS & WI FI

Computer Access

International students will have computer access at their campus.

International students will be set up in a classroom with computer access, headphones, and camera.

On Campus Printing-Papercut

Papercut allows you to print to a printer on campus.

Photocopying and Printing Procedures

Each student is provided with printing credits that are sufficient for the printing required for their program. Students can track their printing and credits on the student website.

Additional printing credits may be purchased from the front desk staff, as required. Please remember that double sided printing is cheaper and saves paper!
