Purpose

To establish the guidelines, expectations, and requirements for financial transactions, their reporting, regulatory compliance, and the principles by which the College manages its financial resources.

Scope

This policy applies to all College students, employees, delivery partners, affiliates, volunteers, and contractors.

Definitions

Material/Materiality: In a financial context, amounts over a specified threshold which have the potential to adversely impact College operations.

Strategic: In a financial context, matters related to investment in operating or capital assets in support of College priorities, initiatives, and/or goals which may require Board, government, or regulatory awareness or authorization.

POLICY

Principles

- The College shall ensure all material, strategic and/or compliance issues involving government or regulatory bodies are fully disclosed to the Board of Advisors.
- The College shall ensure compliance with all government and regulatory bodies whereby it shall operate within the legislative, regulatory, policy and directive frameworks of said bodies.
- The College shall neither cause nor permit any practice, activity, decision, or organizational circumstance, which is unlawful, imprudent, or in violation of commonly accepted business and professional ethics.
- The College shall ensure all disbursements follow signing authority limits.

Contracts

- 1) Contracts with vendors must not be entered into at the campus level.
- 2) All Contracts must be signed by the President or Vice President of Finance.
- 3) Campuses may provide, or be asked to provide, research and background information to the Campus Support Centre regarding potential vendors.
